

## Career Opportunities

Securistec is continuing to grow their staff of professionals with a global perspective in mind. Availability to work from your location instead of 'relocating' is the new the way of doing business.

We are interested in working with professionals who have a strong desire to grow their skill-set and who are driven to succeed.

### Requirements include:

- Bachelor's Degree in Accounting, Business, Computer Science or a related field of study
- Excellent Analytical and Organizational skills
- Ability to work independently with a high attention to detail
- Strong collaboration and interpersonal skills
- Excellent written and verbal communication skills
- Willingness to provide difficult feedback to clients when needed
- Travel required 25-30%

### Preferred Requirements:

- CIA, CISA, CISM, CISSP or CPA certification
- Project Management certification, i.e. SixSigma, Lean or PMP
- Master's Degree

*For employment consideration please submit your resume and salary range directly to [consulting@securistec.com](mailto:consulting@securistec.com)*
